About Us

The Story Of Our Light

The story began in 2004, when we were just a passionate team of lighting "Provider". We strive to learn every aspect of light with passion.

Ten years later, Cahaya Desain Indonesia was established in 2015 with its sole purpose to deliver best Value by adding professionalism to passion.

The Vision Of Our Light

PROVIDE SOCIETY WITH LIGHTS

Strive to be the leading company in Architectural Lighting products and provide the best choice of lighting products throughout Indonesia.

The Mission Of Our Light

Creating Customer Oriented Relationship.

Realizing that satisfied customer is our key to success, customer relationship is our business value.

Creative, Innovation & Intuitive.

Consulting the best choice of products in Creative, Innovative & Intuitive ways possible.

Provide the best Products & Services.

We make sure the best product for every customer designs, the best products for every customer expectation.
